

```
#include<stdio.h>

int main()

{

int num1,num2,num3;

printf("enter values for num1,num2,num3");

scanf("%d%d%d",&num1,&num2,&num3);

printf("sum of %d+%d+%d is %d",num1,num2,num3,num1+num2+num3);

return 0;

}
```
